

SALAMANCA NEWS

Salamanca Tennis Club Newsletter: March 2006

Club Champs

Thanks to all of you who participated in the club champs. There was a good turnout and some great tennis. Well done everyone!

Courts Resurfacing

We have arranged for our courts to be resurfaced this autumn. This is an advance warning to you that this will be done shortly. Over that time, there will obviously be no play, and the padlocks to the external gates are being changed for that period. As soon as we have the actual dates, we will advise you by email. Sorry about the inconvenience. We know that you will enjoy the revitalised courts!

Visit to Kilbirnie Tennis Club

Our planned club day at Kilbirnie Tennis Club on 26 March has been deferred and will now be held either on one of our winter club days or at the beginning of next season. Will let you know as soon as we have a date.

Summer Closing Function

There are still spaces for you to come along to our legendary end of summer season closing function at the Renouf Centre on **Saturday 8 April** from 6-10 p.m. The entry fee is \$15 per person (payable on the night) and the bar will be open all evening for you to buy drinks. After the tournament, we'll have supper (please bring a plate of finger food that won't need cutlery) and presentation of the cups and prizes. Put your name on the entry form in the clubhouse or enter by email to Tony Fenwick at fenwicks@ihug.co.nz). Non-member partners are very welcome.

Please remember to come to the Renouf Centre at 6pm so that games can get underway on time.

Regular Winter Tennis

Our regular club winter tennis will be held on the first and third Saturdays from May to August. So it will start on Saturday 6 May – Put this in your diaries. See you there!

Winter League Competition

Confirming that we will be running a competition over the winter period, starting initially with singles. This will give you a chance to hone those skills over the long winter months in addition to our regular club days). More information soon about this competition.

Winter Interclub

Winter interclub will start again in May. If you'd like to play in a team, put your name on the list which will go up in the clubhouse towards the end of the season. All teams are mixed and games are fortnightly - **in all weathers!** Unfortunately, as we require equal numbers of men and women, we can't guarantee that everyone who'd like to play will get in a team but we'll do our best!
