

SALAMANCA NEWS

Salamanca Tennis Club Newsletter: 26 November 2006

Courts closed for resurfacing until 9 December

The courts will be closed for resurfacing from late on Sunday 26 November till Friday 8 December -- opening again (all going well) on **Saturday 9 December**, the day of our **Handicap Tournament**.

The resurfacing will be completed in the first week, but our sparkling new courts need that second week to cure. Interclub matches at the club will be re-scheduled. *The gate locks will be changed temporarily during the resurfacing period, to ensure no-one uses the courts by mistake while they're curing.*

9 December: a Saturday to remember

One big day out and one big night in. Yes, in case you hadn't already made the connection, the **Handicap Tournament** and the **Xmas Party** happen on the same day.

Your Committee wants you at both! You have stamina – but don't worry if you don't, you could still be a Handicap Tournament winner: the rules have been written to help you do just that.

Diary the party now and enter the tournament online at <http://www.salamanca-tennis.org/>

If it is wet on 9 December, Plan B for the Handicap Tournament will be Sunday 10 December.

Xmas Part checklist

DATE: Saturday 9 December, 7pm
VENUE: 47 Bombay Street, Ngaio (Linda Bain's place)
BRING: A gift under \$5 on the theme "something noisy"
A salad, something to drink, but no red wine please (we will provide the rest)
Partners and friends welcome

Twilight tennis reminder

Twilight Tennis is on every Wednesday from 6.00pm (court resurfacing weeks not included). Come along for an hour of two of thoroughly relaxing social tennis.

Missing gate lock

The lock for the Salamanca Road entrance gate has disappeared mysteriously. If you know anything about it please contact President Tony Fenwick. Email president@salamance-tennis.org.
